Investment Objectives and Strategy

The EFPC Global Wealth Preserver (GWP) Portfolio is a risk-controlled, well-diversified solution actively managed by a team of leading industry specialists. Designed with a cautious, low-equity approach, the portfolio blends cost-efficient instruments across multiple asset classes and global regions. Its objective is to deliver stable, risk-adjusted growth while maintaining a strong focus on capital protection.

Investor Profile

The EFPC Global Wealth Preserver Portfolio is designed for clients seeking stable offshore exposure with a strong focus on capital protection. With its low-equity, risk-controlled approach, the portfolio aims to deliver consistent, risk-adjusted growth while minimising volatility. This solution is particularly well-suited to investors who prioritise long-term wealth preservation across generations.
